CRANKED RISERS

STRONG RISERS WITH ENORMOUS LIFT IN TWO DIFFERENT VERSIONS

The new MovieTech – Cranked Risers

All of our MovieTech products are designed to precisely meet the demanding requirements of each shooting as well as to withstand the rough conditions of the daily work on set.

We manufacture **Grip-Equipment you can rely on!**

The broad variety of MovieTech risers offer the ideal solution to fast and easy height adjustment of your camera. The riser family of MovieTech consists of fixed rises, adjustable risers through gas springs as well as hand cranked risers.
